

11 WAYS VERTEX DRIVES ROI AND PERFORMANCE FOR IDD AGENCIES

When choosing a software solution for IDD and rehabilitation agencies, partnering with Vertex Systems can drive significant improvements. Our platform streamlines billing processes, reduces administrative workload, and enhances financial management. Read how our clients have experienced remarkable reductions in time spent on routine tasks, allowing staff to focus on delivering quality care.

With Vertex, we were able to reduce the amount of time spent on billing tasks from taking 2 days to 15 minutes.

Ability Building Community

Our billing employees went from a full-time job (5 days/week) to semi-retirement due to system improvements (3 days/week).

Ability Building Community

Our payroll calculations used to take 2-3 full days, now with Vertex, it is complete in less than ½ half a day with reporting available the same day.

Johnston County Industries

With this system, we've been able to eliminate errors from manual input and paper tracking.

Johnston County Industries

For over 30 years, we have over 40 employees use this system daily including all support staff, accounting, and executive director.

The Arnold Center

With Vertex's Billing Manager, your operations can save up to 70% of staff hours on billing tasks.

Billing Manager by Vertex Systems streamlines your billing processes and unlocks up to a 5% increase in revenue.

The seamless integration with Vertex's software eliminated the need to input the same data multiple times.

Lark Enterprises, Inc.

VertexSystems ensures agencies stay compliant with regulations like 14c and EVV by automating compliance processes, which reduces the risk of costly penalties, fines, or even loss of funding due to non-compliance.

With Microsoft Business Central, agencies can manage payroll, finance, and production all in one place. It cuts down on errors, improves cash flow, and eliminates the headache of dealing with multiple platforms, ultimately saving time and money.

Vertex's reporting and analytics tools give agencies clear insights into things like service delivery, finances, and staff productivity. With this info, you can make smarter decisions that improve efficiency, cut operational costs, and open up more opportunities

Reach out to Vertex Systems to learn how our customized software solutions can elevate your IDD agency's operational efficiency, optimize financial management, and enhance employee productivity.
