

# WorkforceHub

## Comprehensive workforce management without breaking a sweat.

WorkforceHub Plus is the leading all-in-one solution in workforce management for your small business. It includes automated timekeeping, employee scheduling, PTO accruals, hiring, onboarding and HR management.

The components of WorkforceHub Plus work together to make your workforce management easy, fast, and efficient. Mobile access empowers managers and employees to work from anywhere, and our integrated hardware solutions provide efficient on-site punch options.

## WorkforceHub takes care of business.

### Let us show you how.

Learn how WorkforceHub Plus can simplify your employee management by requesting a demo today.

### Timekeeping

Track employee hours in real time, sync PTO, approve timecards and deliver hours to payroll easily with file integration that reduces errors, saves time and increases efficiency.

### Scheduling

Build schedules by shift, team or location while preventing coverage gaps and double booking. Click-and-drag or copy-and-paste make schedule creation a breeze. Employee notifications make sure everyone is on the same page in plenty of time.

### Hiring

Post jobs, track applicants, auto-screen for qualifications, and communicate via text. WorkforceHub Plus provides award-winning applicant tracking from start to finish to help you hire better candidates, faster.

### Onboarding and HR Management

All-in-one integration means you can onboard new employees faster and better prepare them to hit the ground running. WorkforceHub Plus allows you to manage HR benefits, store private documents securely, engage and recognize co-workers, and streamline employee progress reviews.
